

MY SPACE MAP: SPACIAL VISUALISATIONS IN MATH

Created by Natasha Hutchins at www.prodivame.com

Cut around the perimeter of the 3 grids. Fold along the dotted lines and join the dashed lines to create a stage.

Use 2-cm blocks to create a 3-dimensional shape. Shade in grey your 2 side views and the 1 top view that represent your 3D shape.

Pass your grid to your partner to recreate using 2-cm blocks.
