COMPREHENSION: QUESTIONING

Use these question frames to generate your own student questions. Insert important ideas from the text you are reading. Then develop an answer to your own question(s). Think and discuss.

1. How would you describe _____ in your own words?
2. What does _____ mean?
3. Why is _____ important?
4. Why did _____?
5. How did _____?
6. How are _____ and _____ alike?
7. What is the difference between _____ and _____?
8. How does _____ make a difference in _____?
9. What are the strengths and weaknesses of _____?
10. What causes _____?
11. What would happen if _____?
12. How could _____ be used to _____?
13. How is _____ similar to what you have found in other texts?
