STRATEGY SENTENCE STARTER

Improve your **SENTENCE FLUENCY** by beginning your sentences in different ways:

1. Find the first few words you begin each sentences with.
2. Write them down.
3. Redraft the beginning of each sentence if they are:
 - all begin with a pronoun
 - all begin time order words
 - begin with a conjunction
 - you need to break during reading aloud

How do your first 10 sentences begin?

What better word choices can you make to begin these sentences with?
